

CGSHE hosts World Sexual Health Day Canada 2023

The World Association for Sexual Health calls diverse audiences to celebrate sexual health, wellbeing and rights for all through World Sexual Health Day (WSHD). Focusing on a unique theme each year, World Sexual Health Day is celebrated on September 4 and throughout the month of September across the globe. This year's events will be organized around the theme: *Consent*.

The Centre for Gender & Sexual Health Equity's is pleased to host World Sexual Health Day Canada 2023 for the fourth year running. Visit worldsexualhealthday.ca for a nation-wide calendar of events, to submit an event to the calendar or download the media kit to promote #WSHD2023. Please join us in spreading the word. Share, tweet, retweet, like, post and repost via your social media channels!
